PUPPY CONTRACT OF SALE

This Agreement is made on this _____ day of _____, _____ (Year), between Inverell Pet World (the "Seller") and the Buyer named below.

Buyer: _____

The Seller and Buyer are collectively referred to as the "Parties."

PUPPY DETAILS

Breed: _____

Sex: _____

Colour: _____

Date of Birth: _____

Purchase Price: $ _____

ADDITIONAL INFORMATION

The Buyer understands that the puppy purchased does NOT come with a breed certificate or DNA testing.

The Seller states that the parentage of the puppy is true to the best of the breeder's knowledge. The Buyer acknowledges that DNA testing may produce discrepancies and the breeder has no control over the breeding background of the parent dogs.

This dog is sold strictly as a companion pet only.

The Buyer confirms they have received care instructions, vaccination records, and relevant documentation.

The Buyer will receive 30 days free pet insurance (where applicable).

PAYMENT TERMS

This dog is not sold under co-ownership terms.

Full payment must be made at the time the puppy is collected. Payment is to be made by cash unless otherwise agreed by the Seller.

MICROCHIP TRANSFER REQUIREMENT (NSW)

The puppy has been microchipped in accordance with NSW law. The Buyer agrees to complete and submit the change of ownership with the NSW Companion Animals Register within the legally required timeframe. The Buyer accepts responsibility for all future registration requirements once ownership has been transferred.

HEALTH GUARANTEE

The Seller certifies that, upon sale, the puppy is fit, healthy and sociable.

The puppy has been:

- Microchipped
- Vaccinated
- Wormed
- Treated for fleas

The puppy also comes with a Veterinary Certified Health Certificate.

The Buyer agrees to have the puppy examined by their veterinarian within three (3) days of purchase at their own expense.

If the veterinarian does not provide the puppy with a clean bill of health, the Buyer must notify the Seller immediately.

The Breeder reserves the right to have the puppy re-examined by a veterinarian of their choice at the Breeder's expense.

The Seller and Breeder do not accept responsibility for contagious diseases diagnosed more than three (3) days after pickup, or for any condition unless it is proven to be genetic and confirmed by a veterinarian.

Inverell Pet World is not responsible for behavioural or psychological conditions of the puppy once it leaves the premises.

BUYER RESPONSIBILITIES

The Buyer agrees to be responsible for the health, safety and wellbeing of the puppy after purchase. This includes:

- All veterinary care and costs
- Government registrations
- Proper feeding and housing
- Maintaining vaccinations and parasite control

The Buyer agrees to provide proper care for the dog and ensure the dog is safely controlled when in public using a harness or leash.

The dog's outdoor area must be secure and safely fenced.

PET SHOP SALE CONDITIONS

The Buyer understands that Inverell Pet World is selling the puppy on consignment for the breeder and is only responsible for the puppy while it remains in the store.

Once the puppy leaves the premises, all responsibility transfers to the Buyer.

No refunds will be provided for change of mind.

The Seller makes no guarantees regarding adult size, temperament, coat type, or breeding suitability.

The puppy is sold as a pet only and not for breeding, showing, or commercial purposes unless otherwise agreed in writing.

The Seller is not responsible for injuries, damages, or losses caused by the dog after it leaves the store.

ENTIRE AGREEMENT

This document constitutes the entire agreement between the Parties.

Any disputes must be resolved under the laws of New South Wales, Australia.
